Title: Radio Broadcasting to Cuba Act

Subject: Radio Marti

Amends. 22 U.S.C. §2871, 2873

Contacts:  Tracey Lawler

STAT \_\_\_\_\_

Conclusion: ☒ No Agency objection  
☐ Agency objection and/or needs amendment

Analysis: The captioned legislation would authorize the Board for International Broadcasts to take up, in addition to Radio Liberty and Radio Free Europe, Radio Marti. The Agency has no interest in or objection to this legislation, I concluded.  Agency expert on Radio Marti, confirmed this.

STAT

Accordingly, I called Tracey Lawler on Valentine's Day, 1983, and advised her we had no objection.

John, I am told that you are the Office's Radio Marti expert. As such, could you give me your comments on the attached legislation prepared by State and forwarded to the Agency for comment by OMB. To me, it seems that there is no Agency objection. We didn't receive it from OMB until after their due date. I'm going to rectify that but I'd appreciate your expeditious comments in any event.

It seems relatively straightforward to me.

N.B. I've attached copies of the current statute which is being amended.

1-7  
We have no role ~~and~~ or connection w/ Radio Marti. Thus, I don't believe we have any stake in this.

2/14 GMC, unless you can't high of any other concerns, I'm going to call it a "no objection".
